Date _____	Member's Signature (Required) _____

Volunteering Opportunities

At Fanshawe Yacht Club

2013

Page 2 of 2

All members of our club benefit from the low fees we pay. The fees can be kept low because member volunteers carry out many tasks that must be done around the club. Each member family is expected to help with their share of the work, approximately 3 days (24 hours) each year. On page 1, please fill in the equivalent of 24 hours using the information below as a guide. If each member family honours their commitment to the club, we will have another successful year.

Note: Event dates may not be final and are subject to change, with the exception of the dates for the work parties. Refer to the FYC web site for the latest news and event updates at www.fyc.on.ca. Please consider the membership application and volunteering information requests carefully. Your support in checking areas where you can assist is relied on as vital information to assist the executive and committees in planning during the year and knowing that sufficient help is available. Without sufficient volunteers, events cannot take place.

Work Parties

Members are encouraged to participate whenever possible. While there are many physically demanding jobs there are also many light duty tasks that may consist of errands, sorting etc. Each spring or fall work party day is equivalent to 8 hours (lunch is provided). Each mooring maintenance day or school boat repair day will be 4 hours in duration. Members can also volunteer to prepare the work party lunch.

CLUB RULES, BYLAWS & CONSTITUTION

Club policies and rules are covered in the Member's Handbook, which members are encouraged to refer to. The handbook is available upon request from the membership chairman. The club constitution and bylaws are a separate document from the Club Handbook, and are available on request from the club Secretary or can be downloaded from www.fyc.on.ca. All club members are required to abide by the provisions of the bylaws of Fanshawe Yacht Club and the regulations of the Board of Directors. If you have any questions concerning club rules, do not hesitate to ask any member of the Executive.

Some of the more important club rules and policies to remember:

Fanshawe Yacht Club (FYC) is not insured or responsible for any damage to member's property stored at FYC, including boats and trailers. All members are responsible for assuring that their property is properly secured and is insured for all potential risks and liabilities. Any property stored at FYC is left at the owners' sole risk and expense. FYC shall not be liable for any loss or damage to the property of the owner, whether by theft or otherwise.

Members are responsible for their conduct and the conduct of their family and guests at the club.

The front gate must be closed after use, and kept locked if left unattended.
