## Advice of Photographic Records

At times during the summer courses, school staff, helpers and club members might take photographs or video recordings of the activities at the sailing school. These images may be used for sailing school mementoes for students or to market various Club activities, or they may be posted on the Club web site. Unless we are informed to the contrary, we assume that the act of registering in our courses is an acceptance of this condition on the part of parents and guardians. Otherwise, a note to with this registration or to the coaching staff will be sufficient to request that your student is not included in any photographs.

## Ontario Sailing Memberships

Under an arrangement with Ontario Sailing, all students' contact information will be shared with Ontario Sailing for the purpose of issuing proficiency certificates which recognize students' progress with the sailing courses. Students will be entered as Training Members of Ontario Sailing so that progress records can be kept. Certificate seals will be forwarded by mail as they are earned. Under no circumstances will the membership names or information be shared for commercial purposes.

## Liability Waiver

With this registration for a sailing school program, I acknowledge that:

- sailing and other related activities may be hazardous and could expose participants to increased levels of risk and
- I voluntarily assume these risks for the registering student.

I hereby release the Fanshawe Yacht Club, the sailing school, the Club members, officers, directors, employees and volunteers from all liability, claims and causes of action of any kind in respect of any personal injury, loss of property or loss of life arising out of the activities of the school.
