

Fanshawe Yacht Club Sailing School

2013 Youth (ages 9-18) Program Course Information and Schedule

The Fanshawe Yacht Club Sailing School courses follow the Canadian Yachting Association (CYA) (now Sail Canada - SC) *Learn to Sail* program, offering standardized instruction to youth and adults.

Youth Day Programs

At Fanshawe Yacht Club we offer our youth program as a day school through the summer months. Some students are able to achieve faster progress in all levels. The learn to race program requires more intensive training and practice by attending regattas through the entire summer season.

CANSail Levels 1 and 2 *Note:* CANSail Levels 1 & 2 replaces the old Whitesail Levels I, II, and III. If a student has not yet passed Whitesail III, they should enrol in CANSail 2.

These levels build from beginner to comprehensive knowledge of safety, seamanship, rigging and boat handling in winds of 8-15 km/hr.

CANSail Levels 3 and 4 *Note:* CANSail Levels 3 & 4 replaces the old Bronze Sail Levels IV and V.

These levels introduce the sailor to sail and trim and basic boat tuning. It also covers safety, seamanship, terminology, sail theory, sail shape and advanced boat handling skills in winds of 15-26 km/hr.

Racing

The CYA levels continue with Levels 5 and 6 (previously Silver and Gold). At FYC the racing levels are offered under a separate program. Please inquire for details of the racing programs.

Skills Week

The ninth week of the summer presents extra time for students to take additional coaching to finish up a level or to hone their sailing skills after regular course work. Coaches will be available to work with the students, usually at lower student ratios.
