

Fanshawe Yacht Club and Sailing School Message from the Commodore's Desk

September 28, 2020.

Hello FYC Members,

It has been a while since I updated our website banner, but when I heard Premier Doug Ford sobering address today, I knew I must let everyone know that this Pandemic is not finished with us yet. It is a deadly virus and we still do not have a vaccine to combat it. We must stay the course and continue to follow the protocols put in place by our Government.

Premier Ford states the government's priority is, and will continue to be, protecting people's health and well-being while planning for recovery and growth. That is why it is essential that everyone continues to act responsibly and respectfully towards their fellow citizens by following the advice of Ministry of Health.

Ontario is experiencing a sharp increase in Covid 19 cases. Today we had 700 new positive cases recorded. We are in the 2nd wave of this Pandemic and it is up to all Ontarians to follow the guidelines provided by Premier Doug Ford.

1. Download the Covid Alert App
2. Get your flu shot
3. Wear your mask &/or face shield
4. Social Distance
5. Continue to wash your hands often.

This 2nd wave will be worse than the 1st, and the Government of Ontario is doing all they can to prepare for the onslaught of cases that will come.

Thank you for your help keeping Fanshawe Yacht Club Covid-19 free. You are all doing a fantastic job. Should you have any questions or concerns please do not hesitate to contact me at madam.commodore.fyc@gmail.com

Regards,

Your Commodore, Bonita
